Condensing storage tank water heater rebate – terms and conditions

Overview

FortisBC customers (each, a “Customer”) that purchase a qualifying natural gas condensing storage tank water heater between January 1st, 2013 and December 31st, 2013 may be eligible for a \$1,000 rebate. FortisBC is offering an additional rebate of \$50 to the Contractor involved with the purchase of the Customer’s qualifying water heater (each, a “Contractor”).

Eligible homes

- In order for the Customer and Contractor to qualify for a rebate under this program, the Customer must be a current residential customer of FortisBC Energy Inc. FortisBC Energy (Whistler) Inc., or FortisBC (Vancouver island) Inc. (collectively, “FortisBC”) and the Contractor must install a qualifying water heater in a residence in the Lower Mainland, Fraser Valley, Whistler, Squamish, Interior of B.C., Vancouver Island and Sunshine Coast.
- The Customer/Contractor is eligible to apply for one rebate for each qualifying water heater purchased and installed. Please ensure that proof of purchase for each qualifying water heater is obtained from the Contractor at the time of purchase.

Eligible Water Heaters

To qualify for the rebate, the condensing storage tank water heater must be:

- rated with a Thermal Efficiency (TE) rating of 90% or greater;
- listed as a qualifying water heater on www.fortisbc.com/energystarwaterheater;
- purchased and paid for in full between January 1st, 2013 and December 31st, 2013;
- installed in accordance with the requirements of the BC Safety Authority and/or gas authority
- having jurisdiction in your area and in accordance with the manufacturer’s specifications and
- all applicable laws, codes, standards and ordinances.

Program process

- To be eligible for a rebate, the applicant must return a copy of the completed application form
- with a copy of the purchase invoice for the qualifying water heater and a copy of the gas contractor invoice that contains the purchase date, date of installation, details of the work performed, installation permit number and the BC Safety Authority gas contractor licence number.
- FortisBC must receive applications within 60 days of purchase date;
- Applications must be postmarked no later than January 31st, 2014;
- Applications must be signed by the applicant;
- Processing of applications may take a minimum of 90 days;
- FortisBC is not responsible for lost, delayed, damaged, illegible or incomplete applications;
- FortisBC reserves the right to refuse applications which it determines, in its sole discretion, are incomplete, inaccurate or otherwise do not meet program requirements.

Rebates

- Rebates will be issued in the form of a cheque addressed in the name of the FortisBC account holder for purchasing and installing a qualifying water heater.
- Contractor rebates will be issued to the business name identified on the application form.

Additional terms and conditions

- FortisBC may amend, modify or terminate this program at any time based on funding limitations or for any other reason, without notice.
- FortisBC, not being the designer, manufacturer or provider of a qualifying water heater, makes no representation or warranty, express or implied, as to the necessity, quality or efficiency of a qualifying water heater submitted under this program and accepts no liability or responsibility for such water heaters.
- FortisBC accepts no liability for work performed by or on behalf of a Customer with respect to the purchase, installation or maintenance of a qualifying water heater in conjunction with this program.
- The Customer agrees that FortisBC may record any resulting reductions in emissions and credit them to the FortisBC Greenhouse Gas Management Program.
- The Customer agrees that FortisBC has no liability concerning any estimated energy savings of qualifying water heaters submitted under this program or the installation, performance or fitness of such water heaters.
- The Customer and the Contractor are solely responsible for any tax liability imposed as a result of receiving a rebate cheque.
- This program is independent of other incentives and rebates by FortisBC and/or other utilities, manufacturers, or government incentive programs or grants.
- Rebates cannot be assigned or transferred to another recipient.

Measurement, verification and evaluation

- By applying for this Program, the applicant agrees that FortisBC may, at its discretion, evaluate the newly installed energy saving measure at the applicant’s premises for the purposes of verifying installation.
- “Applicant information” means all information disclosed by the applicant in any program application materials, including personal information disclosed by the applicant, and any billing, energy use and consumption information for the premises at which the new energy saving measure(s) are installed for a period of two years before and two years after such installation. By applying for this program, the applicant acknowledges and agrees that:
 - FortisBC collects and uses the Applicant information in order to process, administer and evaluate the Program and develop other FortisBC energy efficiency programs;
 - FortisBC may contact the applicant in the future to evaluate the effectiveness of the program, which may include surveys;
 - FortisBC may retrieve the applicant’s billing, energy use and consumption information from the FortisBC account database for the period set out above in order to analyze consumption behavior and energy savings attributable to the program; and
 - FortisBC may disclose the Applicant information to its affiliates, FortisBC Energy (Vancouver Island) Inc., FortisBC Energy (Whistler) Inc. and FortisBC Inc. in order to administer and evaluate this program and develop other FortisBC energy efficiency programs;
